

Tuesday, June 1, 2010	
14:00	Opening
15:30	Discussion Corner / Chair: K. Wagemann Plenary Lecture I: Thoughts on the countermeasures to realize sustainable development of refining and petrochemical industry in China X. Cao, China Petroleum & Chemical Corporation, Beijing/PRC
16:15 - 17:00	Discussion Corner / Chair: X. Fan Plenary Lecture II: Sustainable supply of energy and chemical feedstocks needs diversity H.J. Wernicke, Süd-Chemie AG, Munich/D
17:00	End of Conference Day

Wednesday, June 2, 2010					
	E-233 Chair: U. Welz-Biermann	E-232B Chair: T. Tan	E-231 Chair: X. Yang	Discussion Corner Chair: H. Qian	E-232A
09:30	Keynote Lecture Ionic Liquids	Biotechnology	Clean Energy and Sustainable Production	New Products and Services	Workshop Advanced Nickel and Titanium Alloys for the Process Industry
11:45	Discussion Corner / Chair: U. Welz-Biermann Plenary Lecture III: Ionic liquids and clean energy S. Zhang, Institute of Process Engineering, Beijing/PRC				
12:30	Lunch break				
13:30 - 14:15	Discussion Corner / Chair: K. Wagemann Plenary Lecture IV: Recent development of biorefineries in China T. Tan, Beijing University of Chemical Engineering/PRC				
14:30	Ionic Liquids	Keynote Lecture Biotechnology	Clean Energy and Sustainable Production	New Products and Services	Workshop Advanced Nickel and Titanium Alloys for the Process Industry
16:30	End of Conference Day				

Thursday, June 3, 2010					
	E-232A Chair: D. Hong	E-232B Chair: D. Ho	E-231 Chair: S.U. Geissen	Discussion Corner Chair: H. Qian	
09:30	Catalytic Processes	Laboratory Automation	Industrial Water Treatment	New Products and Services	
11:45	Discussion Corner / Chair: T. Track Plenary Lecture V: Industrial water recycling – challenges and limitations S.U. Geissen, Technical University of Berlin/D				
12:30	Lunch break				
13:30 - 14:15	Discussion Corner / Chair: W. Meier Plenary Lecture VI: A chemical engineering view on climate and its protection G. Kreysa, DECHEMA e.V., Frankfurt am Main/D				
14:30	Catalytic Processes	Laboratory Automation	Keynote Lecture Industrial Water Treatment	New Products and Services	
16:30	End of Conference Day				

Friday, June 4, 2010					
	E-232A Chair: X. Yong	E-232B Chair: Z. Ouyang			
10:00	Advanced Materials	Process Control			
12:00	End of Conference
