

# ACHEMASIA 2025

**German Pavilion**  
**14 – 16 October 2025**

**Deadline**  
**24 March 2025**

## The Event

The **AchemAsia**, since 1989 the Chinese edition of ACHEMA, is the central meeting point for discussing and presenting the **latest technologies** as an international technical and scientific exhibition and conference for the Asian market. It is the trade show **where scientists and engineers** meet, and equipment suppliers and users connect. Exhibitors from China and about 15 countries worldwide present equipment, apparatus, technologies and new concepts for **sustainable production in the chemical and related industries**, focusing on carbon-neutral technologies, advancements in pharmaceutical technology, digitalization (AI and robotics), and the green economy. AchemAsia takes place every three years.

## Your Advantages at the German Pavilion

- Reduced participation fees
- Comprehensive support before and during the trade fair
- Top placement and high visibility within the event
- Exhibitor lounge with snacks and beverages
